

# Lemonade Day Chestermere FAQ

## General Information

### What is Lemonade Day?

Lemonade Day is a FREE community-wide, educational initiative designed to teach children how to start, own and operate their own business—a lemonade stand.

### When is Lemonade Day?

This year Lemonade Day **Chestermere** will be held on **June 10, 2017**.

### What do children learn?

The objective of Lemonade Day is to teach youth how to start, own and operate their own business – a lemonade stand. Children learn the entrepreneurial skills necessary to be successful in the future and become contributing members of their communities. They learn how to create a budget, set profit-making goals, serve customers, repay investors and give back to the community. For kids, one of the best parts is that after covering their expenses and paying back their investors, they can keep what they earn. We encourage them to spend some of their profit as a reward for their hard work, save some of their profit for a rainy day or to re-invest in their business, and share some of their profit with the community that supported them.

### How did Lemonade Day get started?

Lemonade Day was founded in 2007 by Michael Holthouse. As an INC. Magazine Entrepreneur of the Year and a two-time “Inc. 500 Fastest Growing Company” winner, Michael is passionate about entrepreneurship and proactively supports youth and experiential learning through his foundation Prepared 4 Life.

### How much does it cost to participate in Lemonade Day?

Lemonade Day is a free program for all youth. The curriculum, activities, services, products and resources of Lemonade Day are made possible by the generous donations of individuals, corporations, community organizations and foundations.

### How old do you have to be to participate in Lemonade Day?

Lemonade Day is open to youth of all ages. The curriculum is written to target youth in grades 3-5 however, the material can be adapted for older or younger audiences.

### What happens to the money raised on Lemonade Day?

The money made at each stand on Lemonade Day belongs to the youth participants who operate that stand. 100% of what they make is their business profit. The Lemonade Day curriculum encourages them to spend some, save some, and share some.

## **Registration**

### **How does my child register?**

Registration will open April 3 and stays open until we receive 150 registrants. The sooner you register, the more time your child will have to find a location and plan their stand. Registration is easy and you can complete it all online under “Register”.

### **What do we do after we register?**

If you register online, you will receive instructions on where to go to get the Lemonade Day backpack and materials., and where to go for mentorship sessions.

### **Where is the training for Lemonade Day?**

The Lemonade Day curriculum walks you through everything you need to know to start your lemonade business. Families (or mentors) work through the curriculum together with their participants to make a plan, build a stand, and execute their plan on Lemonade Day. There are also mentorship sessions at City Hall on April 11, April 27 May 9, May 25 and June 1, all in the evening from 6:00 – 7:00 pm.

## **Logistics**

### **Where can my child set up their lemonade stand?**

A child has a number of options when determining a location for their lemonade stand. Some participants set up in front of their homes while others request to set up in front of a local business in hopes of getting more traffic. If you don't have a business site in mind, we will have a list of sites available at one of the mentorship sessions. If you have a site in mind, check with that business first and have them register with the Chestermere Chamber of Commerce by contacting Darlene Tuck at [info@chestermerechamber.com](mailto:info@chestermerechamber.com).

### **How will customers know where to find us?**

The Chamber of Commerce will be producing a map of ALL locations for June 10. This is why it is important to have all business registered so they can be included on the map.

### **Do we need a health permit to participate in Lemonade Day?**

Yes. The City of Chestermere will supply the permit. There will be guidelines sent to you to inform you of what can and cannot be sold. We've made the process easy but we want the youth that participate to have a full understanding of what it means to be in business. Knowing the rules is one of the most important lessons!

### **Can we set up our lemonade stand on a different day?**

Many times youth decide they like the opportunity to make their own money and want to continue throughout the year. We encourage that! If you choose to participate on a day other

than Lemonade Day, please be sure to set up your stand on private property with the permission of the owner.
