

MEDFORD & JACKSON COUNTY

How to do Lemonade Day My Way

6 STEPS TO ACHIEVING SWEET SUCCESS:

STEP 1: If you haven't done so already, fill out the registration form linked to your confirmation email so that we can mail your learner(s) everything they need to have a successful Lemonade Day! Kids will receive registration packets that will help guide them through their lessons, plus some pretty sweet goodies! Mentors (that's you!) will also receive some important documents that will help your learner(s) Achieve Sweet Success. Here is the link to that form:

forms.gle/hswxSin9NnfSBUZz6

STEP 2: Now the fun begins! To guide your child through the Lemonade Day lessons, have your child use the login credentials from your confirmation email to login to <http://mylemonadeday.org>. You can also login as a manager to view the materials & manage your participants.

- As an adult, you have both Manager and Learner roles. The Manager role allows you to manage the participants that you registered and view their progress. The Learner role allows you to view what your participants are viewing. You can toggle back and forth between these roles by logging in and clicking on the Role dropdown in the top right corner. For more information on your Manager administrative features, click [here](#).
- The username and password you created during registration can be used to login to the website and access resources. Please use the username and password from your confirmation email to login as a manager and access the digital curriculum. Once you have logged in the first time, you may change or update your password to something you will remember by clicking on My Profile and Edit Profile.

STEP 3: Before you begin the Lemonade Day lessons, have your youth complete the [Pre-test](#) & tell us what they already know.

MEDFORD & JACKSON COUNTY

STEP 4: Sell your lemonade! After your learner(s) have completed all their lessons in Lemonopolis, go back to our website to submit business plans to our Lemonade Day Marketplace. **This is how your kids actually get to participate in Lemonade Day My Way!**

You can find everything your learner(s) need to submit to participate in Lemonade Day My Way in the registration packets coming in the mail & by clicking [here](#). (Be sure to fill out the form in Step #1 to get this mailed to you!)

STEP 5: Now that your learner(s) business is online in the Lemonade Day Marketplace, tell your friends & family to vote for your kid(s) in the [contests](#) & also buy "a cup of lemonade!" to support their business & all their hard work!

STEP 6: Once Lemonade Day My Way is over, make sure your learner(s) submit their Business Results for a chance to be the [Youth Entrepreneur of the Year!](#) They could win a new bike or other sweet prizes!

Remember: Registering for Lemonade Day doesn't automatically enter your kid(s) into the contests or let your kid(s) sell lemonade! They **MUST** submit their business plans with all the information from the Lemonade Day My Way checklist into the Lemonade Day Marketplace!

Also Keep in Mind: The community only has until September 20th to vote for your kid(s) in the Best Tasting Lemonade contest, Best Stand Contest & to buy "a cup of lemonade!" The sooner your kid(s) get through their lessons & submit their business plans into the Lemonade Day Marketplace, the more time they have to make money & receive votes to win the contests!

For more information on Lemonade Day My Way & to access resources to help your youth entrepreneurs succeed (i.e. training videos, etc.) visit the [Resources page](#) on our website. **PLEASE REFERENCE THE DOCUMENTS UNDER "MEDFORD & JACKSON COUNTY" WHEN ACCESSING RESOURCES!** Majority of the documents under "General" & "Adult" will NOT be helpful this year as they are to aid an in-person Lemonade Day, which we unfortunately don't get to do this year.
