

General Information and Timeline

Lemonopolis

Lemonopolis is an online interactive version of the Lemonade Day program. Participants that use Lemonopolis are introduced to the ideas and concepts of Lemonade Day through a digital platform.

- Each lesson within Lemonopolis contains
 - o An introductory video
 - o 1 to 3 interactions
 - o An opportunity to learn more about concepts covered in the lesson
- The lessons are compiled into 4 modules

Set a Goal	Make a Plan	Work the Plan	Achieve Your Dreams
Approximate time to complete lessons: 30 min – 1 hour*	Approximate time to complete lessons: 1.5 hours – 2.5 hours*	Approximate time to complete lessons: 20 min – 40 min**	Approximate time to complete lessons: 20 min – 40 min*
Spending Goals	Find a Business Partner	Action Steps	Business Results and Accounting
Savings Goals	Site Selection	Running Your Business	Reflections and Future Plans
Sharing Goals	Your Product		
Learning Goals	Your Stand		
	Advertising		
	Planning and Budgeting		
	Find an Investor		

*Timing is based on the lessons taking 10 – 20 minutes to complete. This timing does not include additional activities to support lessons.

**The Work the Plan module will take additional time since the lessons encourage outside activities and field trips.

- The program completion timeline can be flexible based on the length and frequency of sessions. Based on your sessions, you can spend anywhere from a week to a month or more depending on the activities that you plan to go with the Lemonade Day lessons, and the frequency of your sessions
 - o Most lessons can be completed in anywhere from 10 and 20 minutes on average. Depending on your participants and the time you have with them, you can do multiple lessons at once and complete the program in fewer sessions or you can do more frequent sessions for a shorter period of time.
