Join Us for the Medford & Jackson County Lemonade Day Kick Off Party

[MEDFORD, OR] – Lemonade Day Medford & Jackson County is hosting their kick off party from 10:30-11:30 a.m. on Thursday, February 27, 2020 at the Hilton Garden Inn in Medford.

The event is the official launch of Lemonade Day Medford & Jackson County. Details on the program, how to get involved and future Lemonade Day events will be announced. Light bites and beverages will be served.

“We welcome and encourage the public and media to attend,” said Lydia Salvey, the City Director for Lemonade Day Medford & Jackson County. “You won't want to miss this opportunity to get all the need-to-know information on this life-changing children's program. Help us build the future entrepreneurs and business leaders of Medford and Jackson County!”

Lemonade Day empowers today’s youth to become tomorrow’s entrepreneurs, explained Salvey. It is a free, fun, experiential learning program that teaches youth how to start, own and operate their own business – a lemonade stand.

“We hope to see a variety of people from the community at the kick off party – parents, teachers, business owners, and whomever wants to participate in Lemonade Day and support our local kids,” said Salvey.

Lemonade Day Medford & Jackson County will be held on May 30, 2020.

Lemonade Day, a program of P4L (501c3, non-profit), is a fun, experiential program that teaches kids how to start, own and operate their very own business: a lemonade stand. By running their stand, they learn the business and life skills needed to set a goal, make a plan and work the plan to achieve their dreams. Lemonade Day’s program builds self-reliance and financial literacy, and introduces important business and entrepreneurial skills. Since 2007 over 1 million youth have participated in Lemonade Day in over 61 cities across the United States, Canada, and South Africa. Lemonade Day allows youth to experience a new level of confidence and see new possibilities for their future – as the leaders, volunteers, and forward-thinking citizens of tomorrow.
